INTRODUCTION

Space Cats is meme token but with utility. It's exclusively centred for the cat community. We look forward to grow with this family and believe it's time for the cats to hit the space. Board the spaceship before we take off all the way!

There are a total of 10 quadrillion space cats token minted and this can never be changed. 33% of the total supply has been burned and all the remaining tokens have been sent to the uniswap exchange! The contract has been cleverly handicapped from the start where nobody including the contract owner can ever amend the tokenomics. It is therefore equivalent to renouncing the ownership. Please feel free to go through the contract.

We believe in our community completely. Therefore, we have incorporated open market economics which means that nobody can meddle with the token price and is entirely left open to the market forces for an undisputed and undisrupted free market economic activities.

Note: 'Activities' shall incentivize hodlers by adding to the liquidity pool.

TOKENOMICS

Total SPACCATS Supply

10,000,000,000,000,000

SPACCATS Burnt

3,333,333,333,333,330

Current Circulating Supply

6,666,666,666,666,670

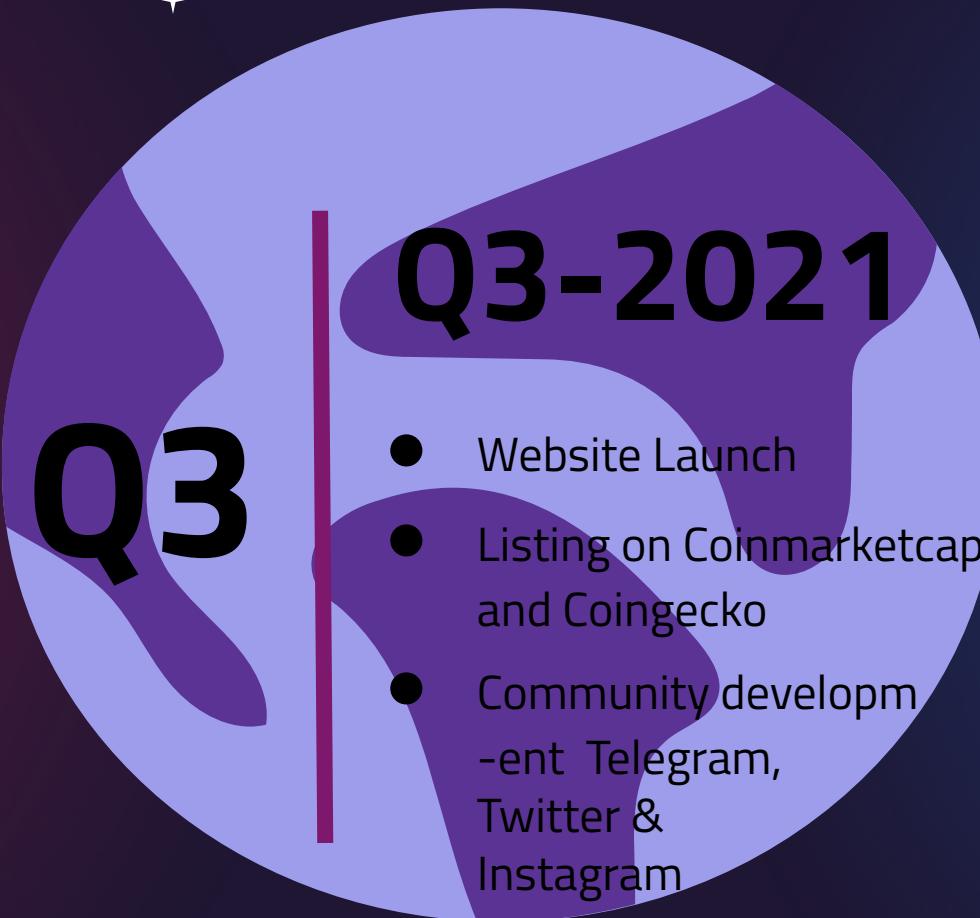

ACTIVITIES

We look forward to introduce lottery platforms initially which can be participated by staking spaccats. We would also like to add the WETH liquidity pool into the lottery systems enabling a wider community to participate. Further down the lane, there are going to be exciting multiplayer games like Ludo, Chess, etc which are still under the planning phase. They shall be developed based upon the community response from the initial phases after community voting upon them. Therefore, as you can understand, 'hodlers' get greatly benefited from these rewards. "Hodl the door". Stay Tuned!

ROADMAP

Q3

Q3-2021

- Website Launch
- Listing on Coinmarketcap and Coingecko
- Community development -ent Telegram, Twitter & Instagram

Q4

2021-Q4

- Exchange Listings
- Marketing
- Branded Merchandise
- Adding Lottery platforms

Q1

2022-Q1

- Further Exchange Listings
- Tie ups with Big Organisations
- Adding additional fun & Exciting activities
